

# INFUSER WATER BOTTLE

WHAT'S NEXT FOR YOUR INFUSER BOTTLE? HERE ARE SOME MORE IDEAS AND ANSWERS TO FAQ'S.

## 1 SUGGESTIONS ON SOME FRUITS AND HERBS TO USE

Lemons, limes and mint work very well however you can also try oranges, raspberries, watermelon, kiwi, mango, grapes and blueberries, Please note that if you do use berries in your infuser, we do suggest that you break the skin of the berry in order to get the most flavor from them.

## 2 HOW DO I CLEAN WATER INFUSER BOTTLE?

To clean your water bottle simply rinse with warm soapy water, you can also allow the water bottle to soak with soapy water to remove any residue or pulp left overs from the fruit. Once clean allow the bottle and the infuser to air dry.

## 3 CAN I USE SPARKLING WATER IN MY INFUSER BOTTLE?

Yes, you certainly can, this is an excellent way to make healthy and inexpensive soda water.

## 4 CAN I USE TEA IN MY INFUSER BOTTLE?

Yes, you can add tea bags along with lemons or any other fruit to make your own unique flavored iced tea.

## 5 WHERE IS IT MADE AND WHAT IS IT MADE FROM?

Infusion Water bottle is made in China; it is made of high quality 100% TRITAN plastic which is Eco- Friendly, BPA free and completely shatterproof.
