

INNOVEE HOME LEMON SQUEEZER

ANSWERS FOR FAQ'S ABOUT YOUR PROFESSIONAL MANUAL CITRUS JUICER

1 HOW DO I CLEAN MY SQUEEZER?

To clean your squeezer simply rinse with warm water, then place it upright and spread apart in the dishwasher utensil holder. You may also wash it with warm soapy water and let air dry.

2 CAN I USE A SCRUB BRUSH TO CLEAN IT?

Most likely there will be no need to scrub with a brush but you can certainly do so if you prefer.

3 CAN I JUICE A SMALL LIME WITH IT?

Yes you certainly can use this squeezer for a lime or even an orange; it does not even have to be a citrus fruit. If the fruit is a bit larger than the bowl of the squeezer just cut it into smaller pieces and follow the same procedure.

4 WHERE IS IT MADE AND WHAT IS IT MADE FROM?

Innovee Home Lemon Squeezers are made from the highest quality materials available in China.

- Made from the highest quality stainless steel material.
- Stainless Steel with Silicone Handles
- High Quality Cold Rolled Steel.
